INTRODUCTION

Introduction	This Fee Schedule provides information on our fees, invoicing and payments for the EMIR reporting service.
Openness and transparency	<p>REGIS-TR operates an open and transparent pricing policy in accordance with FRAND pricing principles. We aim to be fair, reasonable and non-discriminatory, adhering to the regulatory requirements governing the pricing of trade repository services.</p> <p>We provide our clients with a clear, straightforward Fee Schedule containing all the information required to estimate actual costs. Our fees are cost-related and reflect the clients' actual system usage. We regularly review our pricing structure to ensure our fees remain competitive and cost effective.</p>
Validity	This Fee Schedule is valid from January 2022 until further notice.
Contacts and support	For billing, invoicing and payment enquiries, please refer to the Contacts page or contact your Relationship Manager.

Membership fees

Fee charge	The membership fee is a fixed monthly charge on each active REGIS-TR Account.
------------	---

Reporting fees

Introduction	The reporting fee is charged once for each report of a new trade.
Billing allocation: Third Party reporting	<ul style="list-style-type: none"> • If a Third Party reports a trade on behalf of a REGIS-TR Reporting Participant, the fee is billed to the Account of the Reporting Participant • If a Third Party reports a trade on behalf of a REGIS-TR Non-Reporting Entity, or an entity without a REGIS-TR Account, the fee is billed to the Account of the Third Party.
Charging structure	<ul style="list-style-type: none"> • The first 1,000 trades reported in a billing month are free of charge • Different fee rates apply to new CFD, Commodity Forward, Currency Forward, Currency FRA and Currency Swap trades reported, as opposed to all other new OTC/ETD trades • The reporting fee is applied to both sides in double-sided reporting trades • All life cycle events of a trade (modifications, valuation and collateral updates and termination messages) are free of charge.

Maintenance fees

Introduction	This fee is charged monthly for the maintenance of open trades.
Billing allocation: Third Party reporting	<ul style="list-style-type: none"> • If a Third Party maintains an open position on behalf of a REGIS-TR Reporting Participant, the fee is billed to the Account of that Reporting Participant • If a Third Party maintains open positions on behalf of an entity that is a REGIS-TR Non-Reporting Entity, or does not have a REGIS-TR Account, the fee is billed to the Third Party.
Charging structure	<ul style="list-style-type: none"> • Maintenance fees are charged to open trades reported via Reported Trade Message (XT), that have been active in the system at any time during the invoicing period. • Maintenance fees are applied to both sides of the trade. • Open trades reported at position level with quantity or notional amount equal to zero are subject to maintenance fees. • Trades reported as matured via Reported Trade Message (XT) trigger maintenance fees for the first month that they are reported.

	<ul style="list-style-type: none"> New trades that are cancelled on the reporting date with action type "C" trigger maintenance fees.
--	--

Pre-Production and UAT environment fees

Pre-Production test environment	The reporting fee is calculated according to the cumulative number of messages sent to the Pre-Production environment during the billing year.
UAT test environment	The User Acceptance Test (UAT) environment is available for Members wishing to test new system features and solutions. This service is free of charge.

Large User cap and large user reporting fees

Large User cap	A large user cap is applied to the total of all membership, reporting and maintenance fees charged to the Account holder in the calendar year. Once the cap threshold is exceeded, membership and maintenance fees are waived for the remainder of the year and only large user reporting fees apply. Further information: EMIR Fee Schedule
Large user cap for family groups	A large user cap for family groups is applied to the total reporting, maintenance and membership fees charged to account holders in the same family group in the calendar year. Once the amount of the cap has been reached across all Accounts within the family group, membership and maintenance fees are waived for the remainder of the year and only large user reporting fees apply. Note: Invoices are issued separately for each account held.
Charging structure	<ul style="list-style-type: none"> The large user reporting fee is charged once for each report of a new trade Different fee rates apply to new CFD, Commodity Forward, Currency Forward, Currency FRA and Currency Swap trades reported, as opposed to all other new OTC/ETD trades The reporting fee is applied to both sides of the trade in double-sided reporting trades All life cycle events of a trade (modifications, valuation and collateral updates and termination messages) are free of charge.

Superuser access

Superuser access fees	A Client may give another entity (the Superuser) access to the client's REGIS-TR account activity. Superuser access is free of charge.
-----------------------	--

Ad-hoc service fees

Introduction	<p>These fees are for operational services and ad-hoc requests that are outside the normal run of business and are not covered by other fees.</p> <p>Examples:</p> <ul style="list-style-type: none"> Provision of additional REGIS-TR reports
--------------	--

	<ul style="list-style-type: none"> • LEI updates to outstanding trades • Transfer of data to another trade repository.
Charging structure	<ol style="list-style-type: none"> 1. These services are charged at an hourly rate, which is set according to the service required 2. A final fee will be agreed before the work begins 3. Ad-hoc service fees are not included in the large user cap calculation 4. For LEI update requests: In order to guarantee data consistency of its systems, REGIS-TR follows a strict protocol for LEI changes in the context of a TR Question 40 procedure. For LEI changes linked to updates of former BIC, CLC, IEI and COD codes, EUR 143 is charged to cover one hour of administrative tasks, system preparation, quality controls and external communication stages. For LEI changes related to mergers and acquisitions, one additional hour is charged for the processing and validation of client documentation. Depending on the processed amount of data, an additional hour is charged per each 300,000 records updated.

Family groups

Introduction	Where two or more clients belong to a family group, the group is considered as a sole entity for pricing purposes.
Definition	<p>Family groups commonly include:</p> <ul style="list-style-type: none"> • The parent company, and • Any affiliate that is more than 50% owned and directly or indirectly controlled by the parent company. <p>Note: REGIS-TR may also accept other corporate structures as family groups, if the structure qualifies as a family group in its own country.</p>
Members	Reporting Participant, Internal Third Party and Non-Reporting Entity account holders may belong to the same family group. Note: External Third Party account holders cannot be accepted as family group members. This is because, by definition, an External Third Party cannot report on behalf of an entity that belongs to its family group.
Review and approval	<p>Family group structures are reviewed and approved by REGIS-TR on a case-by-case basis. New clients should:</p> <ul style="list-style-type: none"> • advise REGIS-TR if they are part of an existing family group, and • provide proof of membership of that family group.

INVOICING AND PAYMENTS

Invoicing

Introduction	<p>Invoices are distributed electronically on a monthly basis for each Account, via PDF attached to emails that are transmitted using Transport Layer Security (TLS) encryption.</p> <p>Note: Non-Reporting Entity Account holders are invoiced annually in advance.</p> <p>This electronic service is free of charge. In case clients prefer to receive paper invoices via postal distribution instead, opting out of the electronic service is possible by sending an e-mail to our administration team. Further information: see Contacts.</p>											
Invoice contents	<ol style="list-style-type: none"> Our invoices are designed to be clear, comprehensive, transparent, and in line with EU invoicing guidelines. Each invoice sets out which services were used, the rates applied, fees charged and discount applied, if any. <p>Our EMIR invoices are structured in the same way as the EMIR Fee Schedule for ease of comparison.</p>											
Billing address for electronic invoices via e-mail distribution	<p>Unless an alternative email address for billing purposes has been specified in Appendix 2, the email of the Central Coordinator (CC) will be registered as the default recipient. If you prefer a different email address, mailbox, or group email to be registered, the CC can fill in the Contact form in the EMIR Dashboard or get in touch with our administration team. Further information: see Contacts.</p> <p>Only one email address can be registered per account. We recommend the use of a group email address should you wish the invoice to be sent to multiple recipients.</p>											
Invoice dates	<ol style="list-style-type: none"> Reporting account holders receive a monthly invoice for the preceding calendar month. Non-reporting account holders can choose to be invoiced annually for the coming year, or to receive monthly invoices adding up to the same annual payment. Note: Annual invoices are adjusted pro-rata where the account period is less than a calendar year. <table border="1" data-bbox="368 1503 1431 1890"> <thead> <tr> <th data-bbox="368 1503 643 1563">Account type</th> <th data-bbox="643 1503 815 1563">Invoice period</th> <th data-bbox="815 1503 1431 1563">Invoice date</th> </tr> </thead> <tbody> <tr> <td data-bbox="368 1563 643 1697">Reporting Participant and Third Party</td> <td data-bbox="643 1563 815 1697">Monthly</td> <td data-bbox="815 1563 1431 1697">Last calendar day of the billing month.
