

REGIS-TR

a SIX company

Your Choice of Trade Repository

Value Proposition

As a leading trade repository across Europe, REGIS-TR is the natural regulatory reporting provider to meet your EU and UK reporting obligations for EMIR, SFTR, UK EMIR and FinfraG. REGIS-TR is the trusted partner for over 1,600 clients from all over Europe ranging across a wide variety of corporate institutions including banks, brokers, CCPs, trade platforms, ManCos, asset managers, investment and insurance firms.

Why REGIS-TR?

Flexible Account Model

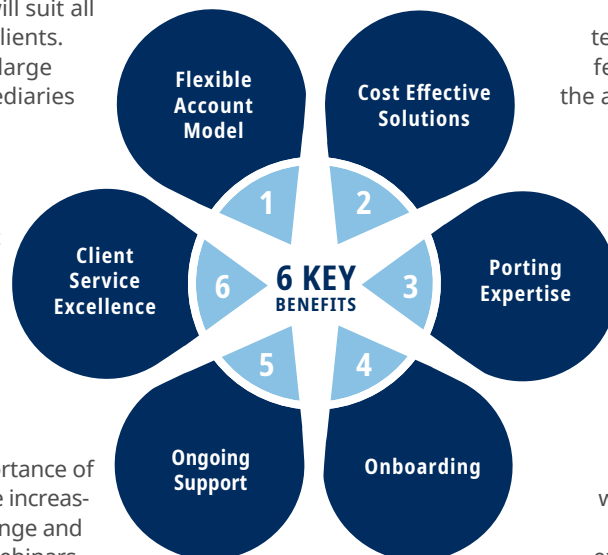

Our flexible account model will suit all clients and their underlying clients. We offer models adaptive to large users, family groups, intermediaries and brokers.

Client Service Excellence

Dedicated, best in class technical experts ensure that your day-to-day needs are met and help alleviate the burden of your regulatory reporting obligation.

Ongoing Support

REGIS-TR recognises the importance of supporting clients through the increasing burdens of regulatory change and divergence, hosting regular webinars, working groups and thought leadership events. We are always here for you.

Cost Effective Solutions

Our Relationship Management team are happy to simulate your fees based on your volumes and the account structure most attuned to your needs.

Porting Expertise

Given the continual growth of our business, we have considerable experience; successfully porting in a large variety of clients, including some of the largest market intermediaries in Europe.

Onboarding

Our dedicated team is ready to welcome you to the onboarding process. We have the skills and experience to deliver a seamless experience from the get-go.

One Step Ahead

Constantly one step ahead, we provide ongoing support, training, and thought leadership beyond the standard reporting responsibilities to help clients better understand their obligations. We run regular working groups and client events, offer online training videos, guides and handbooks and publish a quarterly newsletter of thought leadership and key information and insights into what we are working on at REGIS-TR.

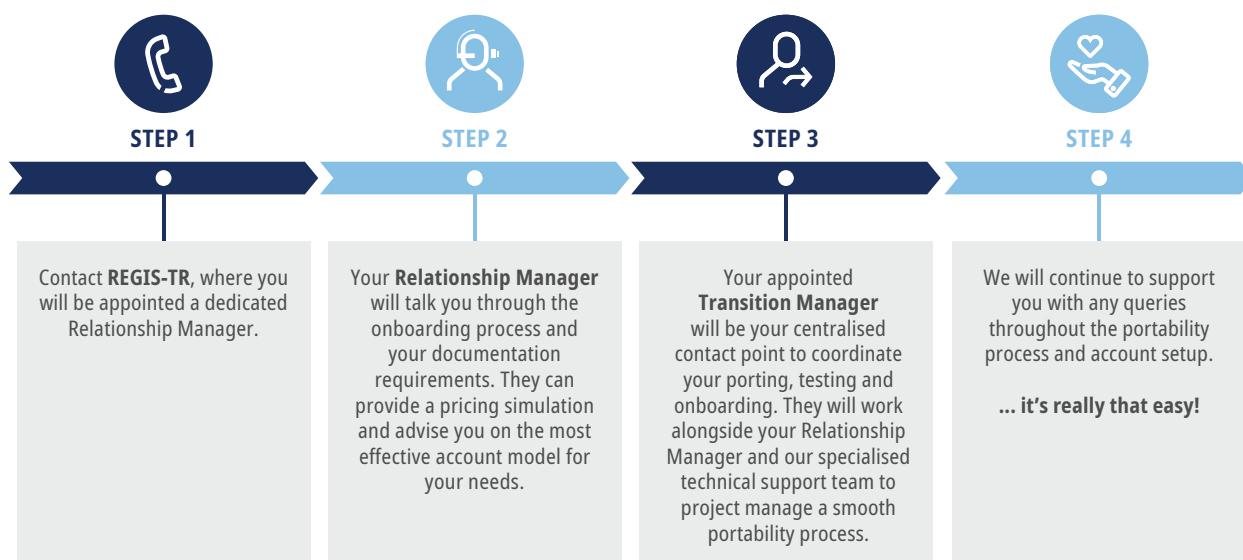

REGIS-TR's Philosophy

Offering participants a fresh, client-centric alternative for their reporting needs.

- A truly **pan-European** Trade Repository
- Over **700 million** trades processed monthly
- Reporting **55%** of total EMIR flows*
- **Dedicated** client support teams
- Providing support in over **8 languages**
- Part of the **SIX Group**

* This relates to published EMIR public data in the EU as of 31 December 2022.

Next steps – it's that easy
