- Jointly owned by the **Deutsche Börse** and **BME SIX Groups**

Why switch to REGIS-TR?

Flexible Account Model

Our flexible account model will suit all clients and their underlying clients. We offer models adaptive to large users, family groups, intermediaries and brokers.

Client Service Excellence

Dedicated, best in class technical experts ensure that your day-to-day needs are met and help alleviate the burden of your regulatory reporting obligation.

Ongoing Support

REGIS-TR recognises the importance of supporting clients through the increasing burdens of regulatory change and divergence, hosting regular webinars, working groups and thought leadership events. We are always here for you.

Cost Effective Solutions

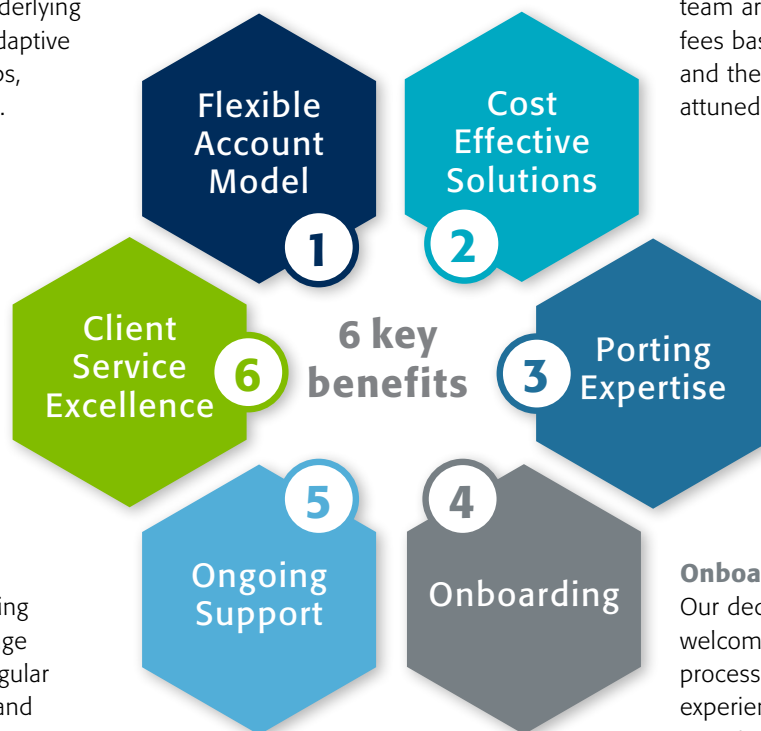

Our Relationship Management team are happy to simulate your fees based on your volumes and the account structure most attuned to your needs.

Porting Expertise

In 2020 we ported over 50 individual clients including some of the largest market intermediaries in regulatory reporting across Europe.

Onboarding

Our dedicated team is ready to welcome you to the onboarding process. We have the skills and experience to deliver a seamless experience from the get-go.

Next steps – it's that easy

One step ahead

Constantly one step ahead, we provide ongoing support, training, and thought leadership beyond the standard reporting responsibilities to help clients better understand their obligations.

We run regular working groups and client events, offer online training videos, guides and handbooks and publish a quarterly newsletter of

thought leadership and key information and insights into what we are working on at REGIS-TR.

Subscribe to our weekly podcast, **The REGIS-TR RoundUp** for a laid back and informative update on relevant news and current affairs from your REGIS-TR team and industry guests.
